

ACE CORN BULB (CCT & POWER SELECTABLE)

CCT & Power Selectable

5 Year Warranty
(Extendable up to 10 years)

Not all product variations listed on this page are DLC qualified. Visit <https://www.designlights.org/qpl> to confirm qualification.

IKIO's Ace Corn Bulb is uniquely designed to switch between different color temperatures for flexibility in all types of commercial applications. With features like a big heat sink for effective thermal dissipation, dimming capability, clear or frosted cover options, and surge protection, ACE can be great for retrofitting existing CFL and HID fixtures for a hassle-free lighting system upgrade.

Applications: Perfect Retrofit Bulb for Traditional Lights in Garages, Street Lighting, Highway Lighting, Security Zones, Walkways, Schools, Residential Buildings.

FEATURES

- **CCT & power selectable** capability.
- **Soft & uniform light output** with high CRI.
- Continuous or segmented **dimming options available**.
- **Big heat sink** for effective heat dissipation.
- **Meets 4/6kV surge** immunity level.
