

CAPELLA STADIUM FLOOD LIGHT

INDUSTRIAL LIGHTING | STADIUM FLOOD LIGHTS

PRODUCT DETAILS

IKIO's Capella Stadium Flood Light comes with IP66 protection allowing it to withstand even the harshest of environments without impacting its performance. It is available in multiple CCT & wattage options and is perfect for a vast range of applications. In addition, the luminaire consists of rugged components such as die-cast aluminum heat radiators for excellent thermal management and can be mounted in multiple ways as per your unique location needs. Capella is ideal if you are looking for even and wide illumination of your outdoor spaces without any glare or dark spots.

FEATURES

- **Exceptional efficacy** (130 lm/W).
- **Superior aesthetics** with a modern look.
- Solid construction with an excellent heat management system.
- **Available in multiple CCTs & wattages.**
- **IP66** rated ensuring protection against external factors.

APPLICATIONS

Sports Arenas Gymnasiums
Plazas Airports
Courtyards Public Areas
