DELPHI

FUEL PUMP CANOPY LIGHT (WITH INTEGRATED PHOTOCELL) (CCT & POWER SELECTABLE)

IKIO's Delphi Fuel Pump Canopy Light enhances safety in commercial and industrial spaces while serving as a high-performance, energy-efficient alternative to traditional lighting. Its CCT and power-selectable technology, combined with an integrated photocell and low-profile design, make it suitable for a wide range of applications. Additionally, the luminaire's robust construction and powder-coated finish contribute to its durability and longevity. The fixture is compatible with both pendant and surface mounting.

Applications : Gas Stations, Parking Lots, Warehouses, Garages, Hospitals, Walkways, Commercial Spaces, Industrial Areas

FEATURES

- **Low-profile, stylish design** with a durable powder coat finish.
- **CCT & power-selectable capability** ensures flexibility for varied applications.
- **Integrated photocell enables automatic on/off operation** based on ambient light conditions.
- **Meets the FCC Part 15, Part B, Class A standards** for conducted and radiated emissions.
- **Comes with dimming capability (0-10V).**
- **Surge-protected and IP65 rated** for wet locations.
