

# DELPHI

## MINI WALL PACK

(CCT & POWER SELECTABLE)

IKIO CCT & Power Selectable Mini Wall Pack is ideal for use in spaces like building facades and narrow pathways. The luminaire is known for high performance and flexibility, as it allows users to switch CCTs & wattages as per their unique needs. Its advanced and sturdy design is supported by an anti-corrosive bronze finish, UV-stabilized PC lens, and waterproof material, allowing the fixture to last much longer than its traditional counterparts. In addition, it incorporates a built-in photocell sensor (optional) that automatically turns on and off during the night and day for increased efficiency.

**Application :** Security Areas, Entryways, Walkways, Stairways, Perimeter Lighting, Building Exteriors.

## FEATURES

- **Superior efficacy, resulting** in exceptional lumen output.
- Ideal for operation in **low working temperatures**.
- **Easy installation** and operation.
- **Flicker-free light** with superb heat dissipation.
- **Saves more energy** than traditional lighting fixtures.
- **IP65 rated:** suitable for wet locations.
