# NOVUS

## ARCHITECTURAL FLOOD LIGHT (CCT & POWER SELECTABLE)

IKIO's Novus Architectural Flood Light is known for its unique design and extruded lamp body. This makes the luminaire an effective and lasting solution for general spaces like lawns, alleys, and pathways. With features like CCT & power selectability, a microwave motion sensor, and 125 lm/W lumen output, Novus provides greater flexibility and allows users to implement light as per their unique application needs. Choose Novus for even illumination and excellent lighting in your spaces.

**Applications:** Outdoor Illumination Needs, Including Parking Lots, Auto Dealerships, Pathways, Roadways, Recreational Venues, and Other General Areas; Can Also be Used as Flood Lights.

### FEATURES

- **CCT & power selectable functionality** ensures flexibility in applications for users.
- **High-efficacy luminaire (125 lm/W)** with exceptional lumen output to light up the area right.
- **Unique design** with a strong, extruded lamp body.
- **IP65 rating** makes it suitable for wet locations.
- **Dimming capability** gives the user better control of the lighting.
- **Solid aluminum housing** with excellent heat dissipation.
