

# PARKO

## PARKING GARAGE CANOPY LIGHT

INDUSTRIAL LIGHTING | CANOPY LIGHTS

## PRODUCT DETAILS

IKIO Parko Parking Garage Canopy Light promotes safety and security in outdoor commercial and industrial environments while providing a long-lasting and energy-saving alternative to traditional HID lighting. This low-profile fixture features a highly reliable LED light engine and an impact resistant poly-carbonate optical diffuser. Suitable for outdoor or indoor applications, Parko is a good fit for gas stations, garages, underground passageways, and corridors. Additionally, the low-profile design offers an architectural appeal and is ideal for places with limited space.

## FEATURES

- **Sturdy construction** - die-cast housing which protect LEDs and drivers.
- **Flexibility in application** - suitable for both outdoor and indoor applications.
- **Consistent performance even in humid environments** - IP65 rated.
- Low-profile fixture with a highly reliable LED light engine.

## APPLICATIONS

Garages  
Parking Lots

Gas Stations  
Walkways
