UPSTAR

UFO HIGH BAY

(CCT & POWER SELECTABLE)

IKIO's Upstar UFO High Bay comes with CCT and power selectable capability, making it suitable for a variety of lighting applications. The luminaire has an easy-to-install design and features like die-cast aluminum build, high-quality lenses, and dimming capability all of which allow Upstar to easily replace traditional fixtures in your commercial or industrial spaces and offer the level and quality of illumination you seek.

Application: Large Warehouses, Manufacturing Facilities, Athletic Facilities, Workshops, Auditoriums, Airport Hangars

FEATURES

- **Robust & Powerful Round High Bay fabricated** to accommodate applications with 40'+ mounting heights.
- Greater flexibility in projects with IKIO's **CCT Selectable & Power Selectable** feature.
- Super tough against the odds with 6 kV Built-in Surge Protection and wet location suitability (**IP65 Rated**).
- Durable Performance with powder-coated die-cast aluminum housing, polycarbonate lens, and sturdy heat sink (**effective thermal regulation**).
- **Easy-to-install** Design that supports Quick Screw-in during lighting installations, making upgrades hassle-free.

Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit www.designlights.org/search to confirm qualification. • Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.
